

# 1. admin dashboard

This is the landing admin homepage, from here, you can navigate across each section content.

The image shows a screenshot of the WordPress admin dashboard for the website 'Shaikes.com'. The browser address bar shows 'shaikes.com/wp-admin/index.php'. The dashboard includes a sidebar menu on the left with items like Home, Updates (2), All in One SEO, Posts, Media, Pages, Comments, Trips, Portfolio, Testimonials, Contact, Forms, WooCommerce, Products, Forums, Topics, Replies, Appearance, Plugins (2), Users, Tools, Settings, MailChimp Forms, Arevico Settings, Recent Tweets, Social Share & Locker Pro, and Collapse menu. The main content area features a 'Welcome to WordPress!' message, 'Next Steps' (Customize Your Site, Edit your front page, Add additional pages, View your site), and 'More Actions' (Manage widgets or menus, Turn comments on or off, Learn more about getting started). Below this are sections for 'Quick Draft' (with Title and content fields and a Save Draft button), 'WordPress News' (including a security release for WordPress 4.2.2), 'MailChimp Account Activity' (showing two new subscribers), and 'Right Now in Forums' (listing Discussion and Users & Moderation with counts). Orange arrows point from the sidebar to the main content area, with labels: 'NEWS + MENUS' pointing to the Posts menu item, 'SECTIONS PAGES' pointing to the Pages menu item, 'PHOTO GALLERIES' pointing to the Portfolio menu item, and 'REVIEWS' pointing to the Testimonials menu item.
