

## 6. User: to modify or create new User

- Click on an existing user and modify the fields you need - click "Update" to save
- You can limit the permissions to specific users in selecting the type of role
- Admin = Keymaster

— No role for these forums —  
✓ Keymaster  
Moderator  
Participant  
Spectator  
Blocked

The screenshot displays the WordPress 'Users' management interface. At the top, there are navigation tabs for 'All (2)', 'Administrator (2)', and 'Keymaster (2)'. Below these are bulk action buttons: 'Bulk Actions', 'Apply', 'Change role to...', 'Change', 'Change forum role to...', and 'Change'. A search bar labeled 'Search Users' is also present. The main content area features a table with the following data:

<input type="checkbox"/>	Username	Name	E-mail	Site Role	Posts	Forum Role
<input type="checkbox"/>	mike	Admin mkorlansky@gmail.com	mkorlansky@gmail.com	Administrator	2	Keymaster
<input type="checkbox"/>	webmasteradmin		michel@piccaya.com	Administrator	26	Keymaster

Below the table, there is another set of bulk action buttons: 'Bulk Actions' and 'Apply'. The page footer contains the text 'Thank you for creating with WordPress.' and 'Version 4.2.2'.
